

Club Members Honored By FV Group

Beverly Burnett, Ann Cardinal and Harriet Sullivan of Fountain Valley Woman's Club were honored for service to the club during a luncheon in Granny's Attie restaurant, Fountain Valley.

Ms. Burnett was named outstanding club woman of the year. According to Eileen Ballard, past president of the organization, she volunteered to serve on every committee formed in the last year. In addition, Ms. Burnett was active in forming a readability program for Fountain Valley High School in which club women aid school libraries in determining grade level of new books.

Ms. Cardinal and Ms. Sullivan were both recipients of silent worker awards, the club's way of giving "pats on the back" to long-time members who "hold no office and do their work quietly," said Mrs. Ballard.

Ms. Cardinal is the "crafts lady" of the group and she hand quilted the bicentennial quilt the club sold for charity.

Ms. Sullivan was the club's charter president and will be Junior coordinator for the coming year. She sketched the patriotic designs on the quilt for club members to hand embroider.
